Pro Series Solar Panels

Our line of Pro Series Solar Panels allows you to go solar without compromising beauty. Designed with a more ruggedized frame to withstand the worst of mother nature, while having refreshed aesthetics with an all-black frame and some unique trim features that help maintain its high performance.

200W Foldable Panel Kits

Our foldable panel kits are ideal if you are looking for something portable and convenient to use when off-the-grid. Multiple configurations are available from MPPT or PWM controller options, plus an option with our 700W solar generator.

100W Semi-Flexible Panel

Introducing our Brand New 100W 12V Semi-Flexible Monocrystalline Solar Panel. This Solar Panel is made with versatility in mind and is geared toward intricate surface installation & mounting.

60A MPPT Charge Controller

This charge controller achieves an impressive charge conversion efficiency of up to 98%, maximizing the solar charging process by delivering optimal power to your battery bank.

700W Solar Generator

Newpowa's 700W Generator is a compact, plug-and-play source of renewable, portable power for your outdoor adventures.

100Ah Lithium Battery

Built for deep-cycle applications, our LiFePO4 battery is safe, stable, long-lasting, and powerful at all times.
